

Book a complimentary meeting with a Quest Business Support Manager

Three choices - what suits you best?

DISCOVER

Find out how to make the most of The HR Service and see how it can help you and support your business. A Quest Business Support Manager will cover the scope of the The HR service, how the HR advice line can help you, what is included in the Document Library, other featured services available via the website, how to access the service and hours of operation.

REVIEW

An opportunity to talk to a Quest Business Support Manager about how your business may be changing, where you were and where you are going to. What HR issues does this raise? The meeting will cover areas of risk, your responsibilities and what you need to have in place to ensure you are compliant and protected. Effectively this gap analysis will identify what you need to do.

COMPARE

If you have an existing outsourced HR service you may wish to do a comparison with The HR Service to see if HR can fulfil your needs. A Quest Business Manager will look at your current provision and explain how The HR Service differs from it. The HR service is included in your membership fee so it may be that you don't need to pay anything extra to anyone else!
