You are welcome to amend these to fit your business and tone of voice.

Ready for a new bed? Time to brush up on the nine steps to testing mattresses to help you make the right decision when it's time to visit us.

Our expert sales advisors will also be on hand to help you find the bed of your dreams!

If you're in the market for a new bed, check out our nine steps to testing mattresses first.

We've also got handy posters in-store and staff on hand to help you when you come to visit us.

Remember to set aside plenty of time to come and test our beds! Ideally you should spend 5-10 minutes per shortlisted bed and lie down in your normal sleeping positions.

Click through our post for more helpful tips.

Some tips to remember when testing beds: a bed is a mattress and a base working together. If you're planning on buying a new base, check it's compatible with the mattress. Try a selection of beds for comparison and shop with your partner if the bed's for two! We've shared more tips in our easy nine-step guide.
