

# One2One Services

Schedule a complimentary One2One Meeting with a Quest Business Support Manager (BSM) to discuss the challenges facing your business.

You will receive an honest assessment of your compliance status and personalised recommendations for solutions to protect your business.

## Discover - How to Make the Most of Your Services

- Discover the services offered by Quest including the advice line, document library and other available features
- Learn how to maximise the benefits of the HR Service and the H&S service
- How it can support the growth of your business

## Review - Your Current HR and H&S Position

- Review how your business is evolving and the potential HR or H&S implications
- Discuss areas of risk, your responsibilities and the necessary measures to ensure compliance and protection
- A gap analysis will identify the steps you need to take

## Compare - Your Business' HR and H&S Approach

- Compare your existing outsourced services with the included HR or H&S services to determine if they can meet your needs
- Evaluate whether you have a need for an outsourced HR or H&S service
